THE INSULT THAT MADE A MAN OUT OF "MAC"

Let Me PROVE I Can Make YOU A NEW MAN!

ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or flabby — only HALF ALIVE? I know just how you feel. Because I myself was once a puny 97-pound "runt." And I was so ashamed of my scrawny frame that I dreaded being seen in a swim suit.

The Secret of How I Got My Build

Then I discovered a wonderful way to develop my body fast. It worked wonders for me — changed me from the scrawny "runt" I was at 17, into "The World's Most Perfectly Developed Man." And I can build up YOUR body the very same natural way — without weights, springs or pulleys. Only 15 minutes a day of pleasant practice — in the privacy of your room.

My "Dynamic-Tension" method has already helped thousands of other fellows become real he-men in double-

quick time. Let it help YOU. Not next month or next year — but Right NOW!

"Dynamic-Tension" Builds Muscles FAST!

If you're like I was, you want a powerful, muscular, well-proportioned build you can be proud of any time, anywhere. You want the "Greek-God" type of physique that women rave about at the beach — the kind that makes other fellows green with envy.

Mail Coupon Now for My 32-Page Illustrated Book

Mailing the coupon can be the turning point in your life. I'll send you a copy of my 32-page illustrated book, "How Dynamic-Tension Makes You a NEW MAN." Tells how and why my method works; shows many pictures proving what it has done for others. Don't delay. Mail coupon NOW. CHARLES ATLAS, Dept. 325B 115 E. 23rd St., New York, N.Y. 10010.

ELMER'S TUNE!

WELL...THAT'S ABOUT
ALL I CAN DO WITH
WHAT I HAVE TO
WORK WITH!

The End

Laugh a LOT

The Ticket

The temptation to speed was almost irresistible. She had been delayed at the beauty parlor for half an hour. And now she was on her way to her suburban home. She didn't want to get there late. She dropped her coin into the automatic collector as she headed south on the Big Bridge. The sign was big and clear: "Bridge Speed-30 mph." But nobody ever paid any attention to it. She did 40 mph with a guilty conscience. And six times she counted them-she weaved in and out of traffic. When she had crossed the bridge she heard the siren of police cars. And soon she was surrounded by three of them. An officer told her: "Pull up to the side if you please."

Which she did. The officer came out of his car and asked for her driver's license and car registration. Almost with tears in her eyes she handed them to the officer.

"I never got a ticket in my whole life," she half-sobbed. "What will my husband say? You don't know my husband. I mustn't even get a scratch on the car. That is the way he is. He is a very good man. But when I tell him you gave me a ticket, the world will come to an end."

The officer handed her back her license and car registration. Then he handed her an envelope.

"I think in this situation your husband will kiss you and take you out for dinner. You are the 10,000,000th car to cross the bridge. So in the envelope you have two plane tickets for Bermuda and hotel reservations for a week. Enjoy yourself."

Being a woman, know what she did? She fainted!

Woman's Work

There is an old saying that man works from sunrise to sunset but woman's work is never done. But with all the electrical devices there is no doubt that the work of the female in the house has been made much easier. She no longer has to wash dishes by hand. Into the automatic dish washing machine they go. And she doesn't have to use a broom to clean the carpets. The vacuum cleaner is a great help. The automatic timer sees that the food is cooked just the right number of minutes or hours. And the automatic clothes washer and dryer do then share to lighten her work. But still she is a busy woman taking care of the house.

Husband is at the office or factory all day long. And when he comes home he generally has the same question to ask his wife, day in and day out

"Well, what did you do today?" and he has a tired expression on his face. As though he was the only one to work hard. No understanding of what a woman has

to do to take care of a house. Now how does a woman get the man to understand she works as hard as he does? Even if she doesn't get paid for her work.

Janice Marley found a very good way of curing her husband and it is highly recommended to other females in the same situation. He came home. The table wasn't set for dinner. Nothing cooking on the gas range. The beds weren't made. There were dirty towels in the bathroom. The carpets were unswept. Dirty clothes were in the wire basket. Dirty dishes in the sink!

"What happened?" he wanted to know.

"Every day you want to know what I did today," she explained. "So today is just a day I didn't do anything at all. I was very tired. Now how about you taking care of the house. Really, you didn't do very much yourself, did you?"

Stubborn

Three men were discussing the fact that at times a man could be very stubborn, regardless of the consequences.

"That's true," said the first man. "I remember the day I was walking along Broadway with my wife. I saw a ten dollar bill. It was right next to my foot on the sidewalk. My wife told me to pick it up. Something happened to me. I got stubborn, didn't like the idea of a woman telling me what to do. So I refused. And then a gust of wind blew it away. And a boy picked it up and kept it. I lost ten dollars by being stubborn."

"It is true," agreed a second man. "I walked into a dentist's office. Told him I had a pain in one of my teeth. He wanted to know which one. And all of a sudden I became stubborn. Told him it was up to him to find the tooth that was hurting me. I refused to tell him which one. I think I scared him. But we better say nothing more about what happened because I acted like a stubborn fool that day."

The third man smiled at the other two. He had a story to relate.

"It is true. But being stubborn can be fatal at times. I was coming home late at night. The streets were all deserted. Suddenly a man came up to me. Pulled out his gun. Said to give him my money or he would kill me. I only had six dollars with me. But then I decided to become stubborn."

"So you put up a fight," said the other two men together.

"Oh, no," was the reply. "I just let him kill me."

An Important Message To Every Man And Woman In America Losing His Or Her Hair

If you are troubled by thinning hair, dandruff, itchy scalp, if you fear approaching baldness, read the rest of this statement carefully. It may mean the difference to you between saving your hair and losing the rest of it to eventual baldness.

Baldness is simply a matter of subtraction. When the number of new hairs fail to equal the number of falling hair, you end up minus your head of hair (bald). Why not avoid baldness by preventing unnecessary loss of hair? Why not turn the tide of battle on your head by eliminating needless causes of hair loss and give Nature a chance to grow more hair for you? Many of the country's dermatologists and other foremost hair and scalp specialists believe that seborrhea, a common scalp disorder, causes hair loss. What is seborrhea? It is a bacterial infection of the scalp that can eventually cause permanent damage to the hair follicles. Its visible evidence is "thinning" hair. Its end result is baldness. Its symptoms are dry, itchy scalp, dandruff, oily hair, head scales, and progressive hair loss.

So, if you are beginning to notice that your forehead is getting larger, beginning to notice that there is too much hair on your comb, beginning to be worried about the dry-

ness of your hair, the itchy scalp, the ugly dandruff — these are Nature's Red Flags warning you of impending baldness. Even if you have been losing your hair for some time, don't let seborrhea rob you of the rest of your hair.

HOW COMATE WORKS ON YOUR SCALP

The development of an amazing new hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this impediment to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scalp treatment the essential corrective factors for normal hair growth. By its rubifacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its

keratolitic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair shaft it corrects excessively dry and oily hair. It eliminates head scales and scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

COMATE IS UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — AT ANY TIME — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now, and take the first step toward a good head of hair again.

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.

Note To Doctors
